

6 Mitchell Street Blayney NSW

Located in a quiet Blayney cul de sac in a great neighbourhood, 6 Mitchell Street is a wonderful block just waiting to have someone's dream home built upon it. At more than 800 square metres in area, there is plenty of space for a large family home, in addition to lawns, gardens and other external features as desired. Those features need not include a shed, with a triple-bay shed with cement floor already in place on the property. The level block is handy to both public schools - primary and high - as well as being an easy stroll to the shops and centre of town. This is the perfect opportunity for a first-home buyer or young families looking to build their dream home at a much more affordable price than can be found in and around Orange.

- Ready-to-build block in central Blayney location
